00:01:37.140 --> 00:01:44.130

Hello, sir. Here.

18 "V KRISHNAMURTHY" (979764480)

00:02:04.130 --> 00:02:22.250

Yeah.

19 "Basheer CDSL" (3844232192)

00:02:22.250 --> 00:02:25.350

Yeah, any questions.

00:02:25.350 --> 00:02:28.590

So, any queries from the shareholders.

21 "Basheer CDSL" (3844232192)

00:02:28.590 --> 00:02:33.300

We haven't registered speakers. Mr. has joined.

22 "Basheer CDSL" (3844232192)

00:02:33.300 --> 00:02:43.226

Yeah, please.

23 "Basheer CDSL" (3844232192)

00:02:44.287 --> 00:02:49.620

You can unmute yourself and ask her queries.

24 "Basheer CDSL" (3844232192)

00:02:54.090 --> 00:03:13.230

Setup.

25 "Basheer CDSL" (3844232192)

00:03:18.210 --> 00:03:23.550

Hello.

26 "Basheer CDSL" (3844232192)

00:03:23.550 --> 00:03:28.860

Uh, you can move to the next 1. Mr what.

27 "Basheer CDSL" (3844232192)

00:03:40.950 --> 00:03:45.150

Mr.

28 "Basheer CDSL" (3844232192)

00:03:45.150 --> 00:03:52.668

Can you unmute yourself and ask queries if I need.

29 "Moorthy Ram" (832480256)

00:03:52.668 --> 00:04:04.020

This is yes, sir. Yes, sir. Uh, I, I want to know, uh, uh, because, uh, uh, promoters are going to give some loan of the course now.

30 "Moorthy Ram" (832480256)

00:04:04.020 --> 00:04:08.730

Uh, can the management give any time and by when we will be free.

31 "Moorthy Ram" (832480256)

00:04:15.060 --> 00:04:24.391

And another question, uh, uh, when we can expect the, uh, of the new okay.

32 "V KRISHNAMURTHY" (979764480)

00:04:24.391 --> 00:04:32.819

Answer the for the 2nd question. 1st, the mentioned, we have already given an advance.

33 "V KRISHNAMURTHY" (979764480)

00:04:32.819 --> 00:04:48.389

For 26 legs and a new and new machine, and we are expecting it anywhere in 3 weeks or so. And, um, some more papers have to be submitted by us.

34 "V KRISHNAMURTHY" (979764480)

00:04:48.389 --> 00:04:51.749

And we are waiting from the auditor.

35 "V KRISHNAMURTHY" (979764480)

00:04:51.749 --> 00:05:02.249

So that the new mission from Siemens will be getting it, the word mission has been given off and we got some money out of it.

36 "V KRISHNAMURTHY" (979764480)

00:05:02.249 --> 00:05:16.169

This is a regarding machine, even if the is the same information, which we are buying is tied up with the Siemens company by their own finance that in mind.

37 "V KRISHNAMURTHY" (979764480)

00:05:16.169 --> 00:05:23.639

So they have asked for some queries and, um, otherwise we have funds and we mean by 8 hour or so.

38 "V KRISHNAMURTHY" (979764480)

00:05:23.639 --> 00:05:28.019

So, that way, we will get the new at the earliest.

39 "V KRISHNAMURTHY" (979764480)

00:05:28.019 --> 00:05:34.799

It takes about 2 to 3 weeks, and once the mission comes, it has to be installed. It needs certain specifications.

40 "V KRISHNAMURTHY" (979764480)

00:05:34.799 --> 00:05:38.219

Since it's a new machine and, um.

41 "V KRISHNAMURTHY" (979764480)

00:05:38.219 --> 00:05:45.239

Once all the electrical, uh, wiring and infrastructure is.

42 "V KRISHNAMURTHY" (979764480)

00:05:45.239 --> 00:05:58.259

Mid compatible, we will be starting it regarding that free. Will I frame? It may take another 56 years to make ourselves as debt free earlier than that.

43 "V KRISHNAMURTHY" (979764480)

00:05:58.259 --> 00:06:06.119

Whenever we get funds from directors or not, we will be able to manage it in other ways. Also.

44 "V KRISHNAMURTHY" (979764480)

00:06:06.119 --> 00:06:09.869

So this is only a blanket permission so that.

45 "V KRISHNAMURTHY" (979764480)

00:06:09.869 --> 00:06:14.609

Uh, because you know that we lost our chairman last year.

46 "V KRISHNAMURTHY" (979764480)

00:06:14.609 --> 00:06:18.359

And so subsequently.

47 "V KRISHNAMURTHY" (979764480)

00:06:18.359 --> 00:06:28.679

Uh, we are making certain efforts so that with if there is any change in the board or anything like that, we can always have.

48 "V KRISHNAMURTHY" (979764480)

00:06:28.679 --> 00:06:34.859

Certain papers to review with us, so that we can manage any situation that can come.

49 "V KRISHNAMURTHY" (979764480)

00:06:34.859 --> 00:06:41.219

So, even in other ways, we have enough fun slowly to make it that free. So don't worry about that.

50 "V KRISHNAMURTHY" (979764480)

00:06:41.219 --> 00:06:47.519

So, we can have a cap of about 5 years or so about 20 growth. We have a.

51 "V KRISHNAMURTHY" (979764480)

00:06:47.519 --> 00:06:50.879

12 only be willing to give.

52 "V KRISHNAMURTHY" (979764480)

00:06:50.879 --> 00:06:56.639

So, we have reduced our burden very much now with our 1 generation.

53 "V KRISHNAMURTHY" (979764480)

00:06:56.639 --> 00:07:03.629

So that should not be a problem. I have certain other ideas of without borrowing from the directors itself.

54 "V KRISHNAMURTHY" (979764480)

00:07:03.629 --> 00:07:08.549

How to service the loan and come more debt free that is what.

55 "V KRISHNAMURTHY" (979764480)

00:07:08.549 --> 00:07:20.099

And planning to do this is only for to be on the safer side, just to have certain because we are bound by statute requirements.

56 "V KRISHNAMURTHY" (979764480)

00:07:20.099 --> 00:07:25.409

Rules we are and compliance, it has to be maintained.

57 "V KRISHNAMURTHY" (979764480)

00:07:25.409 --> 00:07:39.899

We maintain certain papers like this to keep ourselves, um, compatible with, uh, requirements. That's the only reason doesn't mean that tomorrow itself I will go and borrow money and make it more.

58 "V KRISHNAMURTHY" (979764480)

00:07:39.899 --> 00:07:58.921

So should not be a problem they are having a lot of financial measures, and we are able to say, we will be able to service the long should not be a problem. Just these things are just to make us we should not get caught on the wrong.

59 "Abhishek.J" (809510656)

00:08:02.549 --> 00:08:05.643

Hello.

60 "V KRISHNAMURTHY" (979764480)

00:08:05.643 --> 00:08:07.566

It's, it's not.

61 "Abhishek.J" (809510656)

00:08:07.566 --> 00:08:11.098

Yeah, yeah, I will I will.

62 "V KRISHNAMURTHY" (979764480)

00:08:11.098 --> 00:08:15.248

Myself, I will listen to you and then I'll, uh, so, yeah. All right.

63 "Abhishek.J" (809510656)

00:08:15.248 --> 00:08:18.599

Beep.

64 "Abhishek.J" (809510656)

00:08:18.599 --> 00:08:22.139

Hey.

65 "Abhishek.J" (809510656)

00:08:22.139 --> 00:08:28.487

Now, is it okay then okay.

66 "V KRISHNAMURTHY" (979764480)

00:08:28.487 --> 00:08:33.803

To hear you go ahead.

67 "Abhishek.J" (809510656)

00:08:33.803 --> 00:08:36.837

Can you hear me audible?

68 "V KRISHNAMURTHY" (979764480)

00:08:36.837 --> 00:08:42.224

Yes.

69 "Abhishek.J" (809510656)

00:08:42.224 --> 00:08:47.609

Am I audible to know so, my name is Sarah. The company my 30,167.

70 "Abhishek.J" (809510656)

00:08:47.609 --> 00:08:59.849

Client ID is 435 925 so 1st of all I congratulate the management on the of extraordinary digital body meetings at as well with you. And your family this challenging situation accompanied. There was much more respect.

71 "Abhishek.J" (809510656)

00:08:59.849 --> 00:09:04.319

The current market cap after completing more than a decade of successful operations.

72 "Abhishek.J" (809510656)

00:09:04.319 --> 00:09:13.889

Profitability and becoming 1 of the successful hospital in our respective segments. So we are increasing the chapter. We are really proud that nobody is doing very well and being devoting that may not be shareholders.

73 "Abhishek.J" (809510656)

00:09:13.889 --> 00:09:18.269

There are any plans to establish more hospitals in the district out.

74 "Abhishek.J" (809510656)

00:09:18.269 --> 00:09:33.089

Fantasy and role district, whether it be plans have been made. I would like to know from media, because all other small, small hospitals are doing very well now. So the right thing and the right opportunity for us to increase the shared capital and to establish new hospitals in the district. Now.

75 "Abhishek.J" (809510656)

00:09:33.089 --> 00:09:36.359

And they're all logistics.

76 "Abhishek.J" (809510656)

00:09:36.359 --> 00:09:56.359

I think much to answer your question, there's always there with the management and, uh, my support is also always there with the management side. I hope that the company will prosper in the U. S deployment and we'll provide them and not the company secretary or the entire team for sending us the link bullet points and making this extraordinary general body meeting regarding success. Thank you very much.

77 "Abhishek.J" (809510656)

00:09:56.359 --> 00:10:02.549

Thank you.

78 "Abhishek.J" (809510656)

00:10:02.549 --> 00:10:06.103

Thank you.

79 "V KRISHNAMURTHY" (979764480)

00:10:06.103 --> 00:10:10.229

Um, thanks for your time words and appreciation.

80 "V KRISHNAMURTHY" (979764480)

00:10:10.229 --> 00:10:23.459

Um, right now the hospital industry in India is doing well, I know a lot of people have, uh, um, enlarging, uh, spreading their rings and, uh, they're opening new branches.

81 "V KRISHNAMURTHY" (979764480)

00:10:23.459 --> 00:10:38.009

But, uh, it's not easy that way, but how I look at it is like a franchise we cannot, the quality of service is not equal in many places. This is what I have seen.

82 "V KRISHNAMURTHY" (979764480)

00:10:38.009 --> 00:10:42.989

For example, you said the peripheral centers, like, and other places.

83 "V KRISHNAMURTHY" (979764480)

00:10:42.989 --> 00:10:47.219

Many times will not go to feel free.

84 "V KRISHNAMURTHY" (979764480)

00:10:47.219 --> 00:11:01.259

That is a big problem. So, even, uh, well, known players, they are finding it to stuff with a specialist in the periphery of eVenture neighbor, finding it difficult.

85 "V KRISHNAMURTHY" (979764480)

00:11:01.259 --> 00:11:11.519

So, bigger players will be able to sustain that, and they can sustain or a period of time for our hospital. What I would recommend this.

86 "V KRISHNAMURTHY" (979764480)

00:11:11.519 --> 00:11:16.979

To modernize the hospital, and if in case we are able to acquire.

87 "V KRISHNAMURTHY" (979764480)

00:11:16.979 --> 00:11:22.289

Someplace next to our building, and then we go for the expansion.

88 "V KRISHNAMURTHY" (979764480)

00:11:22.289 --> 00:11:26.549

And, uh, 1st establish is still a better.

89 "V KRISHNAMURTHY" (979764480)

00:11:26.549 --> 00:11:37.889

Facilities and more specialities in this, uh, existing building itself in this existing area by increasing the space will be a better idea. Initially.

90 "V KRISHNAMURTHY" (979764480)

00:11:37.889 --> 00:11:41.549

And then move to the very free name.

91 "V KRISHNAMURTHY" (979764480)

00:11:41.549 --> 00:11:54.179

Like, places, like, relatively, uh, building would be those, those sorts of places we can, uh, go for small set, like, centers and then later go to.

92 "V KRISHNAMURTHY" (979764480)

00:11:54.179 --> 00:11:59.399

District level, like, from, uh, like that, we can plan.

93 "V KRISHNAMURTHY" (979764480)

00:11:59.399 --> 00:12:07.949

So that is how we should have a plan, and our should be in that. This is what I will.

94 "V KRISHNAMURTHY" (979764480)

00:12:07.949 --> 00:12:14.639

Recommend to the management. This is these are the things which I have in me.

95 "V KRISHNAMURTHY" (979764480)

00:12:18.899 --> 00:12:25.049

Because ours is a purely a different type of parameters.

96 "V KRISHNAMURTHY" (979764480)

00:12:25.049 --> 00:12:34.529

And, um, you know, about other hospitals so the promoters are very different. So, as far as is concerned.

97 "V KRISHNAMURTHY" (979764480)

00:12:34.529 --> 00:12:38.249

This will be a better proposal say.

98 "V KRISHNAMURTHY" (979764480)

00:12:38.249 --> 00:12:47.099

For example, we don't have a cat lab, so we should get more space, bring a cap lab. We don't have enough packing space.

99 "V KRISHNAMURTHY" (979764480)

00:12:47.099 --> 00:12:50.249

So, we need space for that, so.

100 "V KRISHNAMURTHY" (979764480)

00:12:50.249 --> 00:12:59.309

1st, we left the, build the infrastructure and then only go it's not like building an airport 1st, and then, uh, trying to put a link.

101 "V KRISHNAMURTHY" (979764480)

00:12:59.309 --> 00:13:19.309

That should not be there so thank you for your inputs anyway. We will take it, uh, in April into our mind and work on that also. And I'm so happy that you still have.

102 "V KRISHNAMURTHY" (979764480)

00:13:19.309 --> 00:13:22.559

Maintaining that confidence.

103 "V KRISHNAMURTHY" (979764480)

00:13:22.559 --> 00:13:26.729

And then we will be able to, uh, really.

104 "V KRISHNAMURTHY" (979764480)

00:13:26.729 --> 00:13:43.889

No, we can the exact word I'm not getting like that we will maintain your post on this, and we will work on the same lines so that we achieve more.

105 "V KRISHNAMURTHY" (979764480)

00:13:43.889 --> 00:13:52.109

And, uh, the test on this, that we will, uh, maintain that.

106 "V KRISHNAMURTHY" (979764480)

00:13:52.109 --> 00:14:02.819

So so, with this, I would like to thank all the chairman and the board of directors and our auditors and, um.

107 "V KRISHNAMURTHY" (979764480)

00:14:02.819 --> 00:14:16.109

From cdsi and, uh, the company secretary or work to arrange this meeting and or that they have shareholders who still have a lot of confidence and we will, um.

108 "V KRISHNAMURTHY" (979764480)

00:14:16.109 --> 00:14:25.439

Definitely, uh, prove that we have to start the, and we will lock it down. So that'd be a hospital. That's much much better.

109 "V KRISHNAMURTHY" (979764480)

00:14:25.439 --> 00:14:31.079

And these are some of the requirements for statute obligations we are doing it.

110 "V KRISHNAMURTHY" (979764480)

00:14:31.079 --> 00:14:42.959

Because certain things are bone pain, bone and during financial yes, we'd have to have we need an auditor was peer review auditor and we welcome him here.

111 "V KRISHNAMURTHY" (979764480)

00:14:42.959 --> 00:14:49.199

So like, that, these are the disabled by the, the calculations.

112 "V KRISHNAMURTHY" (979764480)

00:14:49.199 --> 00:14:52.859

So, that way, we have our own constraints.

113 "V KRISHNAMURTHY" (979764480)
